

Optimizing the Transformation of Knowledge Dissemination: Towards a Canadian Research Strategy/ Optimiser la transformation de la diffusion des connaissances : vers une stratégie de recherche canadienne

The Research Team

Dr. William F. Birdsall, Principal Investigator
Canadian Association of Research Libraries

Dr. Robert Babe, Co-Investigator
Jean Monty/BCE Chair in Media Studies, UWO

Dr. Jean-Claude Guédon, Co-Investigator
Professor of Comparative Literature, Université de Montréal

Ms. Kathleen Shearer, Research Associate
Canadian Association of Research Libraries

Ms. Deborah I. DeBruijn, Collaborator
Executive Director, Canadian Research Knowledge Network

Dr. J. David Holmes, Collaborator
Former Director of the Office of Institutional Research, Carleton University

Dr. Bertrum H. MacDonald, Collaborator
Associate Dean (Research), Faculty of Management

Mr. Paul McCormick, Collaborator
Director General, Strategic Policy and Planning, Library and Archives Canada

Mr. Ben Schmidt, Collaborator
Technical Director, Canadian Research Knowledge Network

Mr. Gordon Wood, Collaborator
Group Leader, Research and Innovation Support, Canada Institute for Scientific and Technical Information (CISTI).

Optimizing the Transformation of Knowledge Dissemination: Towards a Canadian Research Strategy/ Optimiser la transformation de la diffusion des connaissances : vers une stratégie de recherche canadienne

Panel Report: Five Research Themes

- 1. Knowledge Systems**
- 2. Data/Knowledge Storage and Retrieval**
- 3. Knowledge Production and the Social Contract**
- 4. Power and Infrastructure in the Academy**
- 5. Copyright and Intellectual Property**

Optimizing the Transformation of Knowledge Dissemination: Towards a Canadian Research Strategy/ Optimiser la transformation de la diffusion des connaissances : vers une stratégie de recherche canadienne

The Next Steps: Recommendations

- I. That Canada implement a research program in the area of scholarly communication.

- I. **Develop a cohesive and high-level national strategy for knowledge dissemination in Canada and integrate this strategy into appropriate government research and development policies.**

*Optimizing the Transformation of Knowledge Dissemination: Towards a
Canadian Research Strategy/ Optimiser la transformation de la diffusion des
connaissances : vers une stratégie de recherche canadienne*
